I Love Lady Love

There's little wrong with girl-on-girl sex that I can see. This is recreational sex, not procreational. Think about it... How many times do people of age have sex in, say twenty years. Then think about how many times it's being done to get pregnant. I think the percentages will astound you. Then throw in another variable like the two amazing hotties, Christina and Darcie in your last issue and you have a fool proof argument for the aforementioned girl-ion-girl pleasure. I think that's a great argument, my girlfriend, unfortunately not so much. *– José, San Diego*

Terrific Tori

And I do mean terrific. If there is a more beautiful and wanton, vixen in adult, then please let me know asap. But I think not. She has to be it. If you doubt me, check out the body (pun intended) of her work over the years and you'll see a cute girl become a beautiful women right before your eyes. It's a magical transformation that few have been able to do. And what a more beautiful example than her. Kudos Tori, keep on keeping on, mon cherie *– Mac, Montreal*

Now That Was Hot!

I'm writing to tell you what a really, and I mean really, hot pictorial it was of the threesome with Naudia Nyce. She's always been one of my faves because I like dark, swarthy women like her. And it was cool to see her contrasted against a really white blonde. But it was the sex. Not your typical threesome. The way they used their toys was amazing. I've done toys with a girlfriend or two, but nothing like those three, now that was hot! And what made it even hotter was that it was shot outside. No dark shadowy light. We get to see everything in all it's sunlit glory. I hope you can give us more exciting layouts like this one. And be sure to include the videos of them, that's such a great bonus to have the magazine open in front of you while the hot action is on screen!

– Brad, Evanston

Kiara's the Bomb

I hope that you will print my letter. I'd like to address it to Kiara Diane, but it's really for all the fine women you publish in your magazine. I only wish that FOX was coming out every month! But I recently found out that some of the other mags you guys publish as just as hot and sexy. I'm going to look into that further next month because I have to leave town for a couple weeks. But when I get back, I'm going to the newsstand and check them all out more carefully. But back to Kiara. Besides having a great name, she's gotta be some sort of model. I'm going to look her up online and see if there's other stuff of her that I've been missing. I hope she's into girls as well as guys. If she is, then that will excite me even more. I'll let you know!

– Ayden, Reno

Oh Anthony!... Mr. Pete!...

Are you guys ready to fuck me? I've waited all week for your cocks. You guys better make me cum at least twice today. *Dillan, your so hot, we may just cum before fucking you. But we'll do our best to fuck you good. Are your holes ready for us?* Ok, who gets my mouth, my pussy... and who gets my tight butt first?

THE MAN CAVE

ON BEING THE OTHER MAN

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

One house rule I had when I was married was that I would never cheat on my wife. And I stuck to it. Unfortunately, she did not. It was painful, but I managed to survive. Now it was my turn to be the "other man." I had already received a picture of Clara and knew that if she even looked half as good as she did in the picture then everything else would work out just fine. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her medium-sized breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling each one just enough to make her moan for more. I couldn't wait to meet this beautiful woman in person.

We agreed to meet at a local coffee spot and see how things went from there. I got there before Clara and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. Her blonde hair just barely brushing her shoulders. Her blouse was just thin enough that I could see the outline of her lacy bra underneath. When I looked in her eyes, it just took my breath away. And her lips, oh baby, so luscious and pouty. Perfect to wrap around my thick eight inch cock, which by now was definitely waking up. What could possibly be going on at home that she was looking to hook up. I really didn't care.

When it gets dark, everyone goes inside. So we went to the park and were walking around just talking and enjoying the night and the company when I felt Clara tug on my arm. She looked me in the eyes and asked, "Are you nervous?" Of course my response was, "No, should I be?" Clara then told me, "No reason. I just thought by now you might try and kiss me, at least I was hoping that you would."

Well, who was I to turn down an invitation like that? After making sure that it would be alright to kiss her, I took Clara to the edge of the walk path where there was a picnic table and bench and helped her to sit down. I then took her face in my hands and ever so slowly lowered my lips to her. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Clara running her hands along my back and the tops of my thighs. She was moaning from pleasure, her chest heaving, and reaching out to grab my cock. The feel of her hand on my very hard member felt like electricity shooting through my body. I truly thought that I would cum right then and there.

I reached up and lightly felt her breasts through her shirt and bra. Clara told me to take her shirt off, so I did. She then helped me to ease her bra off and then her breasts spilled onto her chest. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her boobs that I didn't at first realize that she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.

Clara helped me to slide my pants down around my knees and then she began to kiss and suck me through my boxer briefs. Just feeling her hot breath through my briefs was so erotic. My cock was so hard at this point that it was peeking out over the top of my waist band of my briefs. She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Clara not to worry, it would definitely fit.

I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock.

Clara gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked Clara, "Is that what you want?" Clara only had eyes for my tool and was staring at it as if that was who was talking to her and she answered, "Yes, I want the whole thing." I assured her that we could try and if it got to be too much for her then we would stop.

Clara began running her tongue all over my cock, flicking her tongue over the head. She slowly took one of my balls into her eager mouth and began sucking on it, too. She was kissing my dick from top to bottom and then she took it deep. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying

THE MAN CAVE

ON BEING THE OTHER MAN

to rush up through my cock. She must have realize that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth. I called out to her that I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table, and I stood up on the bench.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop, I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out my cock and looked at Clara. She just smiled and said, "I love to suck cock, did I forget to tell you?" I just looked at her and smiled and said, "Now it's your turn."

Clara said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into that ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet. After helping to ease her out of her lacy thong panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickled my senses. I slid my first finger lightly down the crack of that beautiful ass, all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let the tip slip in ever so slightly. I didn't feel any resistance so I slid it in a little more. Feeling this, Clara pushed back against my finger causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger and my face like there was no tomorrow.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things...

I asked if she was ready and Clara affirmed that she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. I took my cock and ran it all over her pussy and ass, getting it good and wet. Then she took matters out of my hands and lifted her hips to meet the head of my cock. By doing this, she got it started in about a half inch. I lifted her ass up a little higher, and buried my cock all the way in her ass. She was getting so turned on that she began to scream, telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her ass. She began to cum, her love juices pouring out. That's when some unwelcome headlights illuminated us and we shrunk away. All I hoped is that it wasn't her man!

Not Too Easily Impressed...

Fortunately for you guys, we girls are easily impressed. Whether you are a big political honcho, throw a football or date models, we girls are going to be into you. That was the case with this geek we met and flirted with him at the computer store. He said he was hacking into sites to help his friends. A day later we went back in and asked him if he could show us how to do it and then we'd wash his car for him.

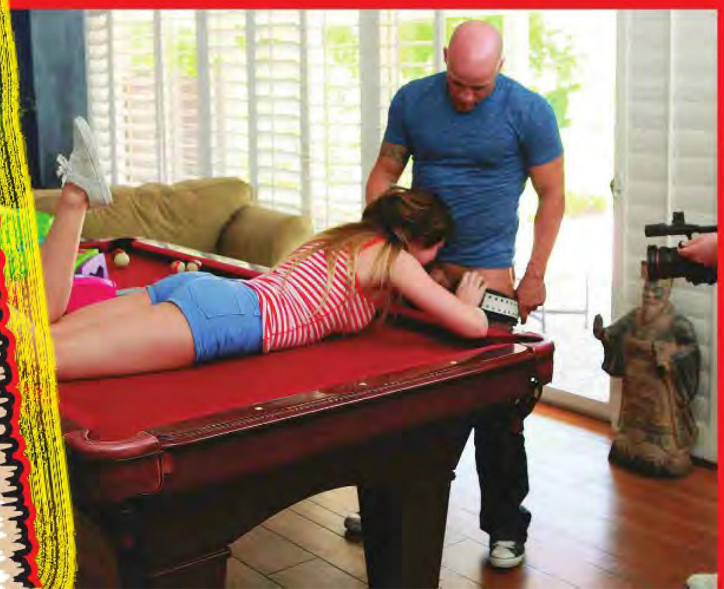
ADVENTURES IN BABYSITTING

TOMBYRONPICTURES.COM

DIRECTOR
IVAN

SLUTS 'N' PUPPETS
JESSIE ANDREWS, ALLIE HAZE,
DERRICK PIERCE, ALEC KNIGHT

PIXXX & ARTICLE BY JEFF HUBRIS



In porno, girls are either engaged in activities while waiting to get fucked, or are in the process of getting fucked. At the moment, Allie Haze and Jessie Andrews have completed their posed stills and are waiting to get fucked. Allie is in for the long haul because Jessie will go first, doing Derrick Pierce in the den in front of a bank of windows.

When not shooting for his own PUBA network, Ivan is sometimes called upon to direct for others. "This is a babysitter movie," he explains. "Everything is always big ass or big titties. I wanted to do something with just cute girls. Babysitting is what we came up with. The girls are all texting each other so the stories are intertwined like that."

Allie sets up shop with her iPad and phone in a back bedroom while Jessie bats ping pong balls around a pool table with Pierce using brightly colored, plastic golf clubs.

"This next scene Derrick Pierce walks in on Jessie Andrews putting all these toys on his pool table and he gets pissed off because he has a billiards tournament on the weekend and he needs to practice," says Ivan. "She is all upset like she's going to get fired and she's all PLEASE DON'T FIRE ME. You know what they do. Then the magic happens."

My how the babysitting scenario lends itself so well to porno. Young, sexually open *au pair* types employed by horny breeders. Cross-generational sex breaks out here constantly. It is a huge, sociological problem. A worldwide harvest of broken hearts and expensive divorces are the wages of this dodgy behavior. Please stop this madness. Do it for the children.

"I'm just gonna dry hump this table until you guys are ready," Jessie says with one leg up on the pool table. Ivan grabs his BTS video camera to record this unscripted semi-sexual moment. Real life, improvisational instances of porn set random behavior not strictly contained within the sex scenes themselves are sometimes by default "interesting" and can have useful "Behind The Scenes" cachet to some. It's all very exciting… Isn't it?

Ivan stops shooting and picks up his other camera. "Get your cell phone so you can text," he says to Jessie. She leaves to get her phone. The use of texting as a porn story line motif has also been gaining great popularity as of late. Twitter too. "She's trying not to lose her job," Ivan explains. "You know, the typical porno storyline."

Ivan does a short interview then shoots the set-up. "I'm going to pick it up from here," he says. "And you guys are still talking but you're not making eye contact with Derrick and you're looking at his crotch. I think it would be hot if you crawled right over the table."

Jessie does the BJ from the pool table, the clothes fly off and they fuck it out. She loses her false eyelashes in all the excitement and her eye makeup gets smudged, horror movie fashion. Altogether a pretty decent babysitter defilement session. She takes the load facially as all babysitters do. I suffer through this indecency.

Ivan notifies Allie Haze to prepare herself for fucking time. I must say, these are some very cute young ladies here this afternoon. Both do their own thing very well, in different ways. Jessie Andrews is a sunny morning and very girl next-door. Allie Haze is a scenic break in the clouds and the hot girl from another neighborhood, but keep an eye on the Doppler radar for the next severe weather update.

JESSIE ANDREWS: I moved here from Florida because I was getting tired of traveling back and forth. I got into the industry when a girl asked me to be an extra in a film and I said, *No, let me see how it goes.* She came back and told me how much she made and I was like, *I want to make that much*! So I called the guy and did my first two scenes with Bang Brothers and a couple more scenes in Florida and then I came out to California.

Before I worked a lot of retail stores. I like worked at a bagel shop. Mostly retail. When I started it was like super natural. It didn't disturb me at all, like I wasn't nervous. It was just, like, whatever.

I probably had sex with like seven people before I got into porn and I wasn't like really sexually active. I would do it like once or twice every other month or something like that. It's cool now because I'm that girl who doesn't want a boyfriend. I don't want attachments so you can go on set and have sex with somebody on camera and then go home and not talk to them, which is awesome.

I've had sex off-camera very few times. I work enough that I don't need to and I don't feel the need to do it. I think people have sex in their personal lives because they want to feel intimate. Like girls want to get intimate with somebody, but I don't. I'm too young. I don't care. Before it wasn't anything either, but like on camera it's crazy. My sex life is pretty much based on camera. I was telling Derrick about it. He's like, *I know you fuck off-camera* and I'm like, *I don't! I have enough sex when I shoot!*

I'm never been like, *Oh my god I need to have sex, I need to masturbate.* The first time I masturbated was when I did a solo video. I hate toys. I like vibrators, they're cool, but it's harder for me to get off by myself.

It takes real good directors who I want to shoot for and who I want to impress. I'm really into impressing people. Like I just shot a girl/girl scene for Elegant Angel and I like blacked out twice because I was trying so hard, I was breathing so heavy, it was awesome. And when you shoot boy/girl for them I want impress them and I want to win awards and do everything.

I like missionary a lot because I could see the person and I can see everything that's going on. Pretty much every other position you can't really see what's happening. That's what gets me off, the visual of it.

I can be orgasmic, more on-camera than in real life. I'm more silent off-camera. In real life I would have to be like really attracted to the person and that would pretty much do it for me. In porn it's more like temporary lust. I enjoy rough sex on camera because it's out of the ordinary but I don't like to do in my personal life. The thing I like about porn is that it's timed sex. Like, you're having sex for a certain amount of time and that time limit is good for me but in your personal life if someone wants to have sex for longer than you do it's like, I don't want to do this. I don't want to have that feeling. I like knowing that I'm going to have sex for this certain amount of time and that's not going to translate into having more sex later with this person. I don't know... I'm weird.

In high school I wasn't the slutty girl. I was the girl who never had a boyfriend and they were like, *What's wrong with you?* I was like, *I don't know what's wrong with you? What, you always have a boyfriend?*

I like playing sports and I like doing a lot of stuff on the web, like web design. I like to make music and I like to paint. Anything that keeps me occupied I'll do it. I like to go to the gym.

If I was a guy I would lube my entire cock up with an entire bottle. I think it would feel so cool.

I'm the biggest creeper.

"I got into the business to hook up with chicks," Allie says straightforwardly. "I was a lesbian before I was a bisexual and I wanted a safe, fun way to hook up with girls and have sex with them and stuff. I did it for that reason and I just love the business so much and everybody loved me so I just started doing boys and now I'm here."

Bucking the common trend, Allie Haze was gay for pay before banging dudes on camera. It's usually the other way around.

"It wasn't for the money," she explains. "It was just for the experience and to have sex with women and obviously it progressed further and now I'm here to be a businesswoman and make a business out of it and enjoy my job at the same time."

Natural lesbos who take dick, for whatever reason, have an edge. No exception here.

"Basically Allie is a babysitter but she's not really babysitting, she's sunbathing in the nude," says Ivan. "Alec Knight walks in and says, *What are you doing? Why aren't you working*? It's his home. She doesn't want to lose her job so one thing leads to another and that's it. There's only so much you can do with the babysitter thing."

The sun makes an appearance so Ivan decides to shoot the scene outside on a lounge next to the pool. He shoots the set-up and needs to knock out the sex before the light fades. Knight calls for lube.

"That's offensive," says Allie. "That's like putting salt on your food before you even taste it."

Actually, I never thought of it that way but I agree. Always test the pussy for natural slime quotient first. Slurp.

ALLIE HAZE: I'm from California. San Bernardino. I'm half Hispanic and half Dutch. Before, I was going to college and I was studying to be a firefighter. I also owned my own animal rescue when I was eighteen. I'm really into animals. I worked in a bar as a bartender and was going to school. Just a normal college kid. I was married to a preacher before I started in the business. I was divorced at the age of twenty. I took off a year dating and I just had fun and partied and just did my thing.

I had had sex with men before I started in the business. I was a lesbian, then I was bisexual and then I started in the business. I'm definitely 50/50. Right down the middle all the way. A lot of the girls are what we call "gay for pay." They don't really know what they're doing so you can't really get off on a situation. Then there are times when you find true lesbians who can really get you off, and it's the same with guys. Some guys are in what I call "soap opera mode." You can be a soap porn actor. It does exist. It's just the same repetitive faces, the same movement, the same this and same that and there's nothing different to it. Those experiences aren't always fun but then you get the men that really do enjoy their job and aren't just here for the money and want to make the best scene they can out of what they're doing with somebody new. Every time we have sex, 75% of the time it's with a new person. It's very rare that we get to work with recurring people and even if we do it gets spaced out. You'll get to work with that person again three months later and when you do it is like a new experience.

I just like having sex. I just love watching people have sex. I'm a voyeur so I enjoy being on-set and being able to watch other people and do things like that but everything pretty much gets me off. I like being dominant and a sub. I love guys and girls so I get a little bit of all of that all the time. I love it when new experiences happen, trying new things or when somebody shows me something new. That's always super-cool.

I'm not a real big masturbator, not on my own at least, I obviously masturbate on camera and stuff. I was much more comfortable being with other people and sharing experiences with other people rather than keeping them all to myself.

I don't really have any fantasies because I get to do so much in porn that I get to play out things that I would never think of, so my thoughts about what I think might be interesting for sex really aren't that interesting. Just the normal, come home and get fucked kind of thing. Real simple. I like to be spontaneous so I like it when things happen randomly, you know? In the middle of cooking...who cares if you burn the steak. That kind of stuff. A little more simple than crazy, like I don't have any rape fantasies or anything like that. Not that it's boring but my fantasies might be a lot more boring than others because those just aren't fantasies of mine. They're great fantasies, just not one of mine.

I, like, spice it up now and then, but I usually don't pick one or the other but I can take on a boy and a girl at the same time. I'm a pleaser too so I can get off on that. If I have the ability to do that to two people at once then obviously it's a double bonus.

When I started porn I think my sex life got better just because I was willing to talk about more stuff and be a little bit more open and say things that I normally wouldn't. I think that I become more open to trying new things and vocally saying what I like and don't like versus just taking it, which has helped my sexual experiences at home obviously because it's helped both people to communicate.

I have a really small pussy. People tell me it's small on the inside which sounds bad because it makes it sound like it's fat on the outside. I have a trimmed bush and it's really thick, it's not like a thin layer of hair and guys tell me that my vagina is really, really warm. I didn't know a vagina could be cold but I guess it can. My pussy is really tight in the middle from what I understand, which I guess is cool because I can fit big dicks in my pussy without a problem and it doesn't hurt but they obviously have a lot of trouble because it's really tight on the inside. That's the experience that I've had so far.

Alec Knight assures everyone that this ain't his first rodeo and the issue is resolved. Ivan voices the positions he needs before the light fades.

"Mish, spoon, cowgirl," Allie repeats back while texting. "Got it."

There's a BJ and pussy eating, then the fuck starts and proceeds swimmingly until there's a break to discuss load dispersal protocol.

"Where would you like to pop?" asks Ivan.

"On my butt," Allie answers immediately.

Ivan rolls and after only a few churning minutes, Knight fucks to a pop from doggie and deposits an artful load on Allie's left butt cheek. This is where the pro cum blasters excel. The light is fading on this L.A. hilltop. Another civilization of spermatozoa are blown across a porn-girl body part, commodified for show business purposes. Porno currency.

Orange is the new dick.

We've been lucky, or cursed, with men with a small dicks. After trying for years to make their cocks larger, we learned a little trick or two. To make our pussies tighter. We learned to contract my vaginal muscles to 'grip' cock tight. Our other trick is to have them fuck our asses! Now there it feels huge! But in the meantime, we're having a little pussy riot ourselves. No cock. Just a long, think orange double dong!!!
